Georgia-Pacific Corp. v. NorAm Gas Transmission Co.; Complaint

June 8, 1995.

Take notice that on June 5, 1995, Georgia-Pacific Corporation (Georgia-Pacific) submitted for filing with the Commission a Complaint and Emergency Motion concerning NorAm Gas Transmission Company's (NorAm) charging Georgia-Pacific market lateral fees.

Georgia-Pacific argues that: (1) NorAm has no authority under its FERC Gas Tariff to charge Georgia-Pacific a market lateral fee for firm transportation service performed since February 1, 1995; (2) NorAm has no authority under its FERC Gas Tariff to charge Georgia-Pacific a market lateral fee prospectively; and (3) NorAm must make a rate filing pursuant to Section 4 of the Natural Gas Act before it may seek to charge Georgia-Pacific (and any transportation customer) a market lateral fee.

Georgia-Pacific also contends that its nonpayment of NorAm's charged market

lateral fees does not authorize NorAm to suspend service to Georgia-Pacific under its FERC Gas Tariff. Georgia-Pacific, therefore moves the Commission to expeditiously issue an order forbidding NorAm to suspend or terminate service to Georgia-Pacific during the pendency of this complaint.

Georgia-Pacific states that it has served a copy of the complaint to NorAm.

Any person desiring to be heard or to protest said complaint should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Rules 214 and 211 of the Commission's rules of practice and procedure 18 CFR 385.214, 385.211. All such motions or protests should be filed on or before June 29, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Answers to this complaint shall be due on or before June 29, 1995.
